

Presenting Islam workshop

We are currently living in a climate of misunderstanding, mistrust, fear and Islamophobia.

The gradual rise of Islamophobia is partly due to the negative portrayal of Islam in the media.

The terrorist atrocities carried out by a handful of Muslims have no basis in Islam and is condemned by Muslims; yet many believe that this is part of Jihad and condoned by Islamic teachings.

Muslims living in the west are also partly to be blamed for this misunderstanding due to not carrying out their duties in doing effective talks to non-Muslims and presenting Islam in a professional, sensitive and peaceful way as part of their duty in doing Dawah.

This course will help Muslim participants and young Muslims in particular to achieve this aim. .

In the Quran we are required to: "Invite to the way of your Lord with wisdom." (16:125)

This Presentation skills development course is designed to provide participants with the ideas and techniques to help them feel more confident about presenting Islam, and with continued practice will help them become an effective presenter.
